alwayseric writes... how big is a gs500? i am only 170cm, will it be too big for me to place my feet on the ground? I have a GS500, I'm around 6ft (15cm or so taller than you) and can easily plant both feet on the ground, only owned a 2007 GS500F as my first bike so I can really recommend anything else but mine is great.
