essays on twentieth century german drama and theater

As the essays in this collection document in detail, paradox pervades the time span we call the twentieth century, no matter how it is temporally delineated. Never before in history, for example, had so many humans enjoyed such high standards of living, and never had so many been so impoverished or died of malnutrition and disease.

Essays on Twentieth-Century History (Critical Perspectives

Essays on Twentieth-Century History Book Description: In the sub-field of world history, there has been a surprising paucity of thinking and writing about how to approach and conceptualize the long twentieth century from the 1870s through the early 2000s.

Essays on Twentieth-Century History on JSTOR

20th century is the age of modernism in literature. 20th century's literature follows differently from the 19th century literature, because of importance given to presentation of human consciousness and human psychology.
