Ableism - Wikipedia

Social exclusion, or social marginalisation, is the social disadvantage and relegation to the fringe of society. It is a term used widely in Europe and was first used in France. It is used across disciplines including education, sociology, psychology, politics and economics. Social exclusion is the process in which individuals or people are systematically blocked from (or denied full access to ...

Objective: Systemic lupus erythematosus (SLE) is a complex disease with variable presentations, course and prognosis. We sought to develop evidence-based recommendations addressing the major issues in the management of SLE. Methods: The EULAR Task Force on SLE comprised 19 specialists and a clinical epidemiologist. Key questions for the management of SLE were compiled using the Delphi technique.

"Why do people think that something as permanent as race, something we have no choice in, can make us better than another person?"- Sarah, 16 There are no reasons or excuses for racism. It's just wrong. Racism is ugly. It divides people into "us" and "them", based on where we come from or the colour of our skin. And it happens when people feel that it's okay to treat others badly as they go ...

Juvenile Justice involvement in kids within the special education system is a hot topic. When the federal special education law was passed in 1975, Congress found that most children with disabilities were not receiving an appropriate education - and that millions of children were excluded from school altogether.
