BLM Natural Resources Guide on Negotiation Strategies

To address a demand to enhance participants'™ knowledge of negotiation and related skills, the programme contains a component which instructs on the practice of negotiation through a combination of theory and practical application. This paper is intended as an easy-to-read reference material on negotiation.

Negotiation Theory and Practice

Negotiation is an activity that influences another person. McCormack (1995) define negotiation in his book Negotiating as the process of getting the best terms once the other side starts to act on their interest. In other words, negotiation is a process to get what is wanted. It is a process that leads to an end.
