National Curriculum assessment usually refers to the statutory assessments carried out in primary schools in England, colloquially known as SATs. The assessments are made up of a combination of testing and teacher assessment judgements, and are used in all government-funded primary schools in England to assess the attainment of pupils against the programmes of study of the National Curriculum ...

A test or examination (informally, exam or evaluation) is an assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness, or classification in many other topics (e.g., beliefs). A test may be administered verbally, on paper, on a computer, or in a predetermined area that requires a test taker to demonstrate or perform a set of skills.
