First Lady is an unofficial title used for the wife of a non-monarchical head of state or chief executive. The term is also used to describe a woman seen to be at the top of her profession or art. The term is often used to a non-monarchical heads of state or chief executives who don't have that kind of style in their own country.

First Lady - Wikipedia

The First Lady of the United States (FLOTUS) is the title held by the hostess of the White House, usually the wife of the President of the United States, concurrent with the President's term in office. Although the First Lady's role has never been codified or officially defined, she figures prominently in the political and social life of the nation. ...
