Fly fishing is an angling method in which an artificial "fly" is used to catch fish. The fly is cast using a fly rod, reel, and specialized weighted line. Casting a nearly weightless fly or "lure" requires casting techniques significantly different from other forms of casting. Fly fishermen use hand tied flies that resemble natural invertebrates, baitfish, other food organisms, or "lures" to ...

When we first started testing gear, we knew that we had to do things differently to make a difference. It all started with the first ever fly reel shootout way back in 2013. As we continued to scour the web for new ideas, it was pretty clear that the most talked about and least understood part of our equipment was fly lines.
