A privatization extremist. A religious zealot. A culture warrior. Our new Secretary of Education, Betsy DeVos, was painted as any or all of these things in the fevered weeks between the 2016 presidential election and her confirmation hearing. In the days following that hearing, tens of thousands of ...

Rejection of previous assumptions. Prior to his theory of debt deflation, Fisher had subscribed to the then-prevailing, and still mainstream, theory of general equilibrium. In order to apply this to financial markets, which involve transactions across time in the form of debt "receiving money now in exchange for something in future" he made two further assumptions:
