A bathroom is a room in the home or hotel for personal hygiene activities, generally containing a sink (basin) and either a bathtub, a shower, or both. It may also contain a toilet. In some countries, the toilet is usually included in the bathroom, whereas other cultures consider this insanitary or impractical, and give that fixture a room of its own. The toilet may even be outside of the home in ...

A critical step in the reliable use of the Myers-Briggs Type Indicator is verification of type through a dialogue between the individual completing the inventory and the practitioner interpreting the results. After receiving the results, the client will read the description of the personality type, in the aggregate, to determine if it is largely accurate.
