Gay is a term that primarily refers to a homosexual person or the trait of being homosexual. The term was originally used to mean "carefree", "cheerful", or "bright and showy". The term's use as a reference to homosexuality may date as early as the late 19th century, but its use gradually increased in the mid-20th century. In modern English, gay has come to be used as an adjective, and as a ...

Transgender sexuality is the sexuality of transgender people.. Historically, studies assumed that transgender sexuality might be distinct from traditional human sexuality. For much of the 20th century, what was described as "transsexualism" was believed to be sexual in nature, and so was defined along these terms. In fact, like other people, transgender people exhibit the full range of possible ...

When Deanâ€™s agent expressed concern about the young actor living with a known homosexual,

Dean's only explanation was, "I have my own room." When his straight friends would come over and whisper that his room-mate was "a queer", Dean's answer was "Yeah, I know." Some say that Dean was just using Brackett to further his career, sort of a "gay for pay" arrangement.
