A genealogical DNA test is a DNA-based test which looks at specific locations of a person's genome, in order to find or verify ancestral genealogical relationships or (with lower reliability) to estimate the ethnic mixture of an individual. Since different testing companies use different ethnic reference groups, consisting of now living test persons with unknown pre-census time origins, the ...

A casta (Spanish: ) was a term to describe mixed-race individuals in Spanish America, resulting from unions of European whites (españoles), Amerindians (indios), and Africans (negros). Racial categories had legal and social consequences, since racial status was an organizing principle of Spanish colonial rule. During the seventeenth and eighteenth centuries, European elites created a complex ...
