1. The title of the novel is a play on the "last orders" taken by a bartender in the pub [p. 6], and, of course, the "last orders" given by Jack concerning the disposal of his ashes. Why does Swift choose to make this link between the end of a night in the pub and the end of a life? 2. Last Orders has an unusual narrative structure: in each section characters speak for themselves, recounting past and present actions.
