PROCEDURE _____ First Edition. Prepared by. The Clerks of the Parliament

Parliament of Papua New Guinea Manual of Practice and

Important developments in patent law emerged during the 18th century through a slow process of judicial interpretation of the law. During the reign of Queen Anne, patent applications were required to supply a complete specification of the principles of operation of the invention for public access. Legal battles around the 1796 patent taken out by James Watt for his steam engine, established ...
