Leadership is less about the position you hold than the influence you have. It's about doing world-class work, playing at your peak, and leaving people better than you found them.

THE LEAD WITHOUT A TITLE MANIFESTO - Robin Sharma

Leadership is both a research area and a practical skill encompassing the ability of an individual or organization to "lead" or guide other individuals, teams, or entire organizations. Specialist literature debates various viewpoints, contrasting Eastern and Western approaches to leadership, and also (within the West) United States versus European approaches.
