Ancient India and China represent distinct traditions of law, and have historically had independent schools of legal theory and practice. The Arthashastra, probably compiled around 100 AD (although it contains older material), and the Manusmriti (c. 100–300 AD) were foundational treatises in India, and comprise texts considered authoritative legal guidance.

Homeschooling is legal in many countries. Countries with the most prevalent home education movements include Australia, Canada, New Zealand, the United Kingdom, and the United States. Some countries have highly regulated home education programs as an extension of the compulsory school system; others, such as Germany, have outlawed it entirely. In other countries, while not restricted by law ...
