Professional wrestling has accrued a considerable nomenclature throughout its existence. Much of it stems from the industry's origins in the days of carnivals and circuses. In the past, professional wrestlers used such terms in the presence of fans so as not to reveal the worked nature of the business. In recent years, widespread discussion on the Internet has popularized these terms.

Phishing explained. Phishing scams are typically fraudulent email messages appearing to come from legitimate enterprises (for example, your university, your internet service provider, your bank). These messages usually direct you to a spoofed website or otherwise get you to divulge private information (for example, passphrase, credit card, or other account updates).
