An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree.

The word "Torah" in Hebrew is derived from the root  $\text{y}^{\text{TM}}\text{x}^{\text{TM}}\text{x}$ , which in the hif'il conjugation means 'to guide' or 'to teach' (cf. Lev 10:11). The meaning of the word is therefore "teaching", "doctrine", or "instruction"; the commonly accepted "law" gives a wrong impression. The Alexandrian Jews who translated the Septuagint used the Greek word *nomos*, meaning norm, standard, doctrine, and later "law".
