Although de jure Malay is the national language, Singapore English is regarded de facto as the main language in Singapore, and is officially the main language of instruction in all school subjects except for Mother Tongue lessons in Singapore's education system. It is also the common language of the administration, and is promoted as an important language for international business.

The regicide of Mary, Queen of Scots. Before the Tudor period, English kings had been murdered while imprisoned (for example Edward II or Edward V) or killed in battle by their subjects (for example Richard III), but none of these deaths are usually referred to as regicide. The word regicide seems to have come into popular use among foreign Catholics when Pope Sixtus V renewed the papal bull of ...
