The Hearing Voices Movement (HVM) is the name used by organizations and individuals advocating the "hearing voices approach", an alternative way of understanding the experience of those people who "hear voices". In the medical professional literature, â€~voicesâ€™™ are most often referred to as auditory

hallucinations or "verbal"™ hallucinations. The movement uses the term "voices ...

Changes in the laws in many states are expanding the responsibilities of pharmacists and the services for which they can receive payment. A U.S. Surgeon General's report states, "After an initial diagnosis is made, pharmacists deliver many patient care services"and function as healthcare providers" in a variety of practice settings through collaborative practice agreements, to manage ...
