

lobbying and policymaking the pdf

Lobbying in the United States describes paid activity in which special interests hire well-connected professional advocates, often lawyers, to argue for specific legislation in decision-making bodies such as the United States Congress. It is a highly controversial phenomenon, often seen in a negative light by journalists and the American public, with some critics describing it as a legal form ...

Introduction. American democracy is resilient. It has withstood attacks from enemies, both foreign and domestic, for more than two centuries. But never has the United States been led by a president who has so flagrantly lied and so incessantly debased our democratic values and our institutions of self-government as President Donald J. Trump.
