Art criticism is the discussion or evaluation of visual art. Art critics usually criticise art in the context of aesthetics or the theory of beauty. A goal of art criticism is the pursuit of a rational basis for art appreciation but it is questionable whether such criticism can transcend prevailing socio-political circumstances.. The variety of artistic movements has resulted in a division of ...

Note: This essay has gone through a couple drafts based off extensive feedback (which you can read below in the comments). I'm aiming for a version of this essay that is less likely to violently misinterpreted by a majority of readers. Apologies for altering the context of any of the comments below...an unfortunate peril of live editing.

Lost Garden: A blunt critique of game criticism

The blockbuster anthology that struck Holocaust orthodoxy a body blow from which it has never recovered. Dissecting marshals the work of more than a dozen researchers to subject the conventional historiography of the "gas chambers", the "six million", the postwar trials, and other linchpins of the extermination story to careful, precise, methodical, and withering analysis.
