Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.

Most fairytales were not written in English and there are many translations of what we read "Once upon a
time". One that I like in particular is "This is a story from a long time ago, when the world was still
magic".
