Product Schedules - MBWCG (2017-01) Maine Beer and Wine

During the last glacial period, and up until about 10,000 BC, most of Ireland was periodically covered in ice. Sea levels were lower and Ireland, like Great Britain, formed part of continental Europe. By 16,000 BC, rising sea levels due to ice melting caused Ireland to become separated from Great Britain. Later, around 6000 BC, Great Britain itself became separated from continental Europe.

Ireland - Wikipedia

A comparison of rugby league and rugby union is possible because of the games' similarities and shared origins.. Initially, following the 1895 split in rugby football, rugby league and rugby union differed in administration only. Soon, however, the rules of rugby league were modified, resulting in two distinctly different forms of rugby.
