- The managers who stand out over time are the ones who consistently perform at a high level. No one's perfect, but their batting average is the highest. Understanding how to get results is about moving past the basics of being a manager. In fact, to consistently lead your team to perform above expectations, you need a more advanced understanding of three key areas: motivating for results ...

Introduction. The formal managerial hierarchy in modern organizations is as persistent as are calls for its replacement. The managerial hierarchy, which took hold in organizations in the late nineteenth and early twentieth centuries, has proved remarkably resistant to change. 1 Norms, mindsets, and cultural assumptions that pervade modern organizational life combine to reinforce an all but ...
