marriage and divorce the pdf

Divorce, also known as dissolution of marriage, is the process of terminating a marriage or marital union. It usually entails the canceling or reorganizing of the legal duties and responsibilities of marriage, thus dissolving the bonds of matrimony between a married couple under the rule of law of the particular country or state. Divorce laws vary considerably around the world, but in most ...

I've always been curious about the history of marriage and divorce in the United States. We often hear about how divorce rates are in flux, or how marriage rates are declining, but we're rarely given a real sense of the long-term trends in marriage and divorce. Since I couldn't find a chart showing the long-term marriage and divorce trends in the U.S.,
