In the Ascended Master Teachings, Ascended Masters are believed to be spiritually enlightened beings who in past incarnations were ordinary humans, but who have undergone a series of spiritual transformations originally called initiations.. Both "Mahatma" and "Ascended Master" are terms used in the Ascended Master Teachings. Ascended Master is based on the theosophical concept of the Mahatma or ...

Neuroscience of free will, a part of neurophilosophy, is the study of the interconnections between free will and neuroscience.. As it has become possible to study the human living brain, researchers have begun to watch decision making processes at work. Findings could carry implications for our sense of agency, moral responsibility, and our understanding of consciousness in general.

1890s []. Patriotism is, fundamentally, a conviction that a particular country is the best in the world because you were born in it. The World (15 November 1893); Pasteboard pies and paper flowers are being banished from the stage by the growth of that power of accurate observation which is commonly called cynicism by those who have not got it. The World (18 July 1894), Music in London ...
