The Math Forum has a rich history as an online hub for the mathematics education community. A debt of gratitude is owed to the dedicated staff who created and maintained the top math education content and community forums that made up the Math Forum since its inception.

The Math Forum - National Council of Teachers of Mathematics

Having experienced the negative effects of students subjected to too much "daily math" firsthand, I am skeptical of the benefits. But for parents who simply want to expose their children to a variety of math problems, I think that this collection (of 25 sets of 8 problems each) is a good choice.

Math rules!: 3rd-4th grade 25 week enrichment challenge

4 THE ONTARIO CURRICULUM, GRADES 1-8: MATHEMATICS This curriculum is designed to help students build the solid conceptual foundation in mathematics that will enable them to apply their knowledge and further their learning successfully.

Origins. The problem appears in different stories about the invention of chess. One of them includes the geometric progression problem. The story is first known to have been recorded in 1256 by Ibn Khallikan. Another version has the inventor of chess (in some tellings Sessa, an ancient Indian Minister) request his ruler give him wheat according to the wheat and chessboard problem.
