Ayurvedic medicine (also called Ayurveda) is one of the world's oldest medical systems. It originated in India more than 3,000 years ago and remains one of the country's traditional health care systems. Its concepts about health and disease promote the use of herbal compounds, special diets, and other unique health practices.

A medical abortion, also known as medication abortion, is a type of non-surgical abortion in which medication is used to bring about abortion. An oral preparation for medical abortion is commonly referred to as an abortion pill. Medical abortion became an alternative method of abortion with the availability of prostaglandin analogs in the 1970s and the antiprogestogen mifepristone (also known ...
