Academics in Medieval Intellectual History - Academia.edu

Table of Contents. The close relationship between prosperity, patronage, education, and the arts, for example, is a well-known feature of the Renaissance. But sometimes the relationship between the intellectual history of a period and its larger political and social history is more subtle, and reading the former in light of the latter can be misleading.

The Age of Reform, 1250-1550: An Intellectual and

The study of medieval intellectual history is a particularly engaging and seductive task for modern scholars because the objects of our study can seem rather gratifyingly like ourselves: clerics, mediators between different social worlds, leading lives fraught with paradox; at once closely bound up with, and distant from, the worlds of commerce and ...

the intellectual history of the middle ages | SpringerLink

Torsten Edstam and Tanya Stabler. The Medieval Intellectual History Seminar meets four times a year to hear and discuss two papers each time, usually one by a graduate student and one by a senior scholar. ["Masters and Pastors: Sorbonne Scholars and the Pastoral Care of Beguines in Medieval Paris"](#).

Past Medieval Intellectual History Seminars | Newberry

The New Cambridge Medieval History. A comprehensive history of Europe from 500 to 1500 AD, the publication of the New Cambridge Medieval History is a major landmark in the field of historical publishing. Written by leading international scholars and incorporating the very latest research, the History is the essential reference tool for anyone interested in the medieval world.

The New Cambridge Medieval History

human intellectual history; the emergence of Scholasticism; the tradition of Catholic ... The term medieval philosophy is used to designate the period from the end of the Roman ... articulating scholarly thoughts. In other words, Latin was medieval European philosophy's Sanskrit.

Medieval Philosophy - NPTEL

The second misconception is that intellectual history is inherently 'idealist', where that term is used pejoratively to signify the belief that ideas develop by a logic of their own, without reference to other human activities, or to what is loosely called their 'social context'.

What is Intellectual History? | History Today

Intellectual historiography. It has precedents, however, in the history of philosophy, the history of ideas, and in cultural history as practiced since Burckhardt or indeed since Voltaire. The history of the human mind, as it was called in the eighteenth century, was of great concern to scholars and philosophers,...
