

medieval mysteries the history pdf

Early history. Early cultures identified celestial objects with gods and spirits. They related these objects (and their movements) to phenomena such as rain, drought, seasons, and tides. It is generally believed that the first astronomers were priests, and that they understood celestial objects and events to be manifestations of the divine, hence early astronomy's connection to what is now ...

Mystery plays and miracle plays (they are distinguished as two different forms although the terms are often used interchangeably) are among the earliest formally developed plays in medieval Europe. Medieval mystery plays focused on the representation of Bible stories in churches as tableaux with accompanying antiphonal song. They told of subjects such as the Creation, Adam and Eve, the murder ...

The infuriating Voynich Manuscript (A.K.A. "Beinecke MS 408", or "the VMS") contains about 240 pages of curious drawings, incomprehensible diagrams and undecipherable handwriting from five centuries ago. Whether a work of cipher genius or loopy madness, it is hard to deny it is one of those rare cases where the truth is many times stranger!
