

mediums and spirit rappers pdf

Mediumship is the practice of purportedly mediating communication between spirits of the dead and living human beings. Practitioners are known as "mediums." There are different types of mediumship, including spirit channeling and ouija.. Humans have been fascinated with contacting the dead since the beginning of human existence.

Mediumship - Wikipedia

The cracking of joints was the theory scientists and skeptics most favored to explain the rappings, a theory dating back to 1850. The physician E. P. Longworthy investigated the sisters and noted how the knockings or raps always came from under their feet or when their dresses were in contact with the table.
