Universal Design for Learning (UDL) provides the opportunity for all students to access, participate in, and progress in the general-education curriculum by reducing barriers to instruction. Learn more about how UDL offers options for how information is presented, how students respond or demonstrate their knowledge and skills, and how students are engaged in learning.

a) Duty to accommodate to the point of undue hardship. The Code requires an effort, short of undue hardship, to accommodate the needs of persons who are protected by the Code. It would be unfair to exclude someone from the workplace or activities in the workplace because their Code-protected needs are different from the majority. The principle of accommodation applies to all grounds of the Code ...
