"LiveText" Required Q. What is "LiveText"? A. "LiveText" is used by the ULM School of Education as an online commercial service application (livetext.com) for storing digital course content for certification evidence of high quality. In order to receive a course grade in the School of Education, you need an active LiveText account. Q.

Mike Beutner, University of Louisiana at Monroe

Task-based learning offers the student an opportunity to do exactly this. The primary focus of classroom activity is the task and language is the instrument which the students use to complete it. The task is an activity in which students use language to achieve a specific outcome.

British Council, 2018. 50 p. Aptis is an innovative global English assessment tool from the British Council. It is an English test for adults and young adults, which can be used to assess English language ability in all four skills – reading, writing, listening and speaking.

Lesson Plan - Wikipedia

A lesson plan is a teacher's detailed description of the course of instruction or "learning trajectory" for a lesson. A daily lesson plan is developed by a teacher to guide class learning. Details will vary depending on the preference of the teacher, subject being covered, and the needs of the students. There may be requirements mandated by the school system regarding the plan.
